

# **THANK YOU**

**To the membership of Texas Society of Medical Assistants, I want to thank you for your support in my quest for Vice President of The American Society of Medical Assistants.**

**It is a honor to represent Texas and be on the national board.**

**As I presented my campaign speech to the AAMA House of Delegates it was a comfort to have the Texas Delegates in the house. Texas was represented 100% by Mike Pfeil, CMA (AAMA), Mary Dyer, CMA-A (AAMA), Sandra Alexander, CMA (AAMA) and Debbie Monnich-Mobley, CMA (AAMA).**

**There are two logos that I hold close to my heart**

**Helping Physicians Care For Texans  
and  
Medical Assistants at the Heart of Healthcare**

**I will pledge to “make you proud” as I continue my journey to promote our professional organization.**

**Ann Naegele, CMA (AAMA)  
Vice President of AAMA**
