

AMERICAN ASSOCIATION of MEDICAL ASSISTANTS
55TH NATIONAL CONFERENCE
INDIANAPOLIS, INDIANA
SEPTEMBER 23RD – 26TH, 2011

Many cheers to the Texas Society of Medical Assistants Delegates, who attended this year's conference. Mary C. Dyer, CMA-A (AAMA), and Donna Gibbins, CMA (AAMA) represented our state in every way possible.

Just to say Thank You for your support isn't enough. During the installation ceremony, as I looked out on the members, the spirits of the past Texas AAMA Presidents filled the room. It makes me proud to become one of them.

My pledge to all of the TSMA members is to continue to promote certification, increase membership and protect our right to practice in the ever growing healthcare field.

Thank you Mike for the touching tribute you gave to me.

The proclamation from Governor Rick Perry brought the house down with applause.

I'm available to all of the TSMA members.

Ann Naegele, CMA (AAMA)
2011-2012 AAMA President
